Premier legal services in the Nordic region

One of the leading law firms in the Nordic region, Roschier is well-known throughout Europe for its **excellent track record in demanding international legal work**. Our clientele includes major regional and international corporations, financial services and insurance institutions, investors, growth and other private companies with international operations, and governmental authorities. We are lead counsel for numerous Fortune 500 companies operating in the Nordic region.

Founded in 1936, Roschier has a well-established position in the Nordic region, with offices in Helsinki and Stockholm. We are **the market leader in Finland** and have built a strong presence among **the leading law firms in Sweden**, where we launched in 2005. The firm currently employs some 300 practitioners, 43 of whom are partners.

Roschier focuses on the following practices:

- *M&A, banking and finance*: major deals and financing work conducted in Northern Europe. **Roschier is regularly involved in nearly all significant deals taking place in the region.**
- *Corporate advisory*: addressing future challenges and risk management in public companies
- *Dispute resolution*: major commercial disputes with particular emphasis on complex commercial disputes and international arbitration. **Roschier's Dispute Resolution practice is one of the largest in the region.**

- *Intellectual property and ICT*: including large-scale patent disputes and a broad range of other IP disputes
- *EU and competition law*: including both national and EU proceedings related to merger control, cartels, market dominance and other restrictive practices
- *Other services* include, for example, employment, real estate, tax and restructuring.

Business deals that shape the economy

Roschier has had a significant role in nearly all major mergers and acquisitions in the Nordic region and is consistently recognized among the premier firms in the region by publishers of various M&A league tables such as Mergermarket, Thomson Reuters and Bloomberg.

Internationally recognized

International legal directories such as Chambers Europe and The Legal 500 — the trusted sources for finding the right partner in legal matters — consistently recognize all of Roschier's core practices for high-quality work in demanding international assignments.

As an example of recent local rankings, TNS Sifo Prospera's Law Firm Review 2019 ranked Roschier the best law firm on the Finnish market. In Sweden, the corresponding survey also placed Roschier among the top three firms, this way validating the firm's strong overall standing in the Nordic legal sector.
