Premier legal services in the Nordic region

Roschier has a well-established position in the Nordic region and is well-known for its excellent track record in demanding international legal work. We are the market leader in Finland and have a strong presence among the leading law firms in Sweden.

We are a dedicated and trusted partner to our clients, and we provide in-depth advice on a wide range of matters. Our clientele includes major regional and international corporations, financial services and insurance institutions, investors, growth and other private companies with international operations, and governmental authorities. We are lead counsel for numerous Fortune 500 companies operating in the Nordic region.

We focus on the following practices:

PRIVATE AND PUBLIC M&A, FINANCE AND RESTRUCTURING:
Complex transactions and financing work conducted in Northern Europe.

CORPORATE ADVISORY:
Corporate governance, risk management, board liability as well as contractual and preventive risk counseling.

DISPUTE RESOLUTION:
Major commercial disputes with particular emphasis on complex court cases and international arbitration.

EU AND COMPETITION LAW:
Both national and EU proceedings related to merger control, cartels, market dominance and other restrictive practices.

INTELLECTUAL PROPERTY AND TECHNOLOGY:
The full spectrum of IP issues, including brand protection and large-scale patent and other IP disputes; IT and technology, including digitalization, outsourcing, technology transactions and data protection.

OTHER SERVICES INCLUDE:
For example, employment, real estate, tax and structuring.

Internationally recognized

Roschier is regularly involved in nearly all significant deals taking place in the Nordics. Publishers of various M&A league tables such as Mergermarket, Thomson Reuters and Bloomberg consistently include Roschier among the premier firms in the region based on both deal value and number of deals.

Our practices are consistently ranked top-tier in national and Nordic as well as international surveys. Legal directories such as Chambers Europe, The Legal 500 and IFLR 1000 regularly recognize all of Roschier's core practices for high-quality work in demanding international assignments. In their recent reviews of the Finnish and Swedish legal markets, Kantar Sifo Prospera places Roschier among the best law firms in both countries, thus validating the firm's strong overall standing in the Nordic legal sector.

A selection of recent awards:

- Chambers Europe Awards, Finnish Law Firm of the Year 2020, 2018, 2015

Societal engagement

We actively participate in the legal and other relevant development in the society by offering our time, judicial competence and experience. This is our primary way of giving back to society. Our societal engagement includes charity and pro bono work, in which we focus on children and youth, sustainable development of the environment, entrepreneurship and innovation. Our objective is to allocate 1,800 hours for pro bono and societal work per fiscal year. We are also

enthusiastic supporters of educational initiatives. Several of our practitioners regularly collaborate with universities, holding lectures or engaging in research projects.

Roschier holds the ISO 14001 environmental certification. We were first certified in 2011, when we became the only law firm in the Nordic region to obtain the ISO 14001 environmental certificate for all of our offices.
